CLARE WALKER

Clare Walker is a Sydney-based artist and teacher. Clare's collection of ceramic sculptures are the product of her passion for quirky subject matter and interest in illustration, pattern and mark-making.

Each of Clare's pieces are carefully crafted; some taking months to fully complete. The ceramic components are hand-built piece by piece, then carved, glazed and decorated individually.

Clare has exhibited in multiple group shows. She has been selected as a finalist in many competitions, including the *Greenway Art Prize*, *Little Things Art Prize*, *Blackstone Gallery Works on Paper Prize* and the *National Teacher-Artist Prize*. In 2021, Clare was commissioned to illustrate the cover of Indira Naidoo's highly successful memoir *The Space Between the Stars*.

This is her first feature exhibition.
